- DM Therapist Sequence

Sequence 1:

Hi [FirstName]!

My name's Monica and I'm a virtual assistant for therapists and mental health practitioners. I've helped many with their digital marketing and social media efforts as well as virtual assistance such as managing emails, scheduling appointments and phone calls.

Do you need any help in these areas? I'd love to hear from you!

Thanks,
Monica

Sequence 2:

[FirstName],

A lot of work goes into running a successful practice. Some areas where I help clients include:

1. Website development and optimization
2. Virtual assistance
3. Social media management
4. Email marketing

Talk soon!

Sequence 3:

I wanted to mention - I know these services can be expensive. Right now I'm meeting with therapists and other mental health professionals asking them specifically what they need for their practice so their business is getting EXACTLY what they need.

What do you need, [FirstName]? 🙄

Sequence 4:

I'd love to hear more about your practice and method of helping patients and see if I can help you with your efforts.

Schedule a quick meeting here!
